

خلية الضرب

حل تمارين الضرب واكتب الإجابات في الخانات

A honeycomb grid with 24 hexagonal cells. Each cell contains a multiplication problem and a blank box for the answer. The problems are arranged in a 4x6 grid. There are four bee illustrations: one on the left, one in the center, one on the right, and one at the bottom.

2×1	4×3	10×9	3×3
9×9	2×2	7×10	8×7
8×8	10×6	9×6	5×5
7×7	9×5	6×3	7×6
9×4	6×5
